Subject: Application for Java Developer / Data Analyst Position

Dear Sir/Madam,

I am writing to apply for the position of Java Developer / Data Analyst at your organization. I recently came across your job posting and was very interested in the opportunity. With my knowledge of Java, Spring Boot, and Data Analytics, I believe I can contribute effectively to your team.

I am currently pursuing Bachelor of Engineering in Computer Engineering from GEC Rajkot. I have knowledge of programming languages such as C, C++, Java, SQL, HTML, CSS, and JavaScript. I have also completed training in Java Backend development at TOPS Technology.

During my learning journey, I have developed strong problem-solving skills and a good understanding of programming concepts. I am a hardworking and dedicated individual who is always eager to learn new technologies and improve my skills. I am confident that my technical knowledge and positive attitude will help me perform well in your organization.

I would welcome the opportunity to further discuss how my skills and knowledge can benefit your company. Thank you for considering my application. I look forward to your positive response.

Yours sincerely,
Man Popaliya
